PEOPLE

Caring for people is in our roots. It's who we are and who we've been from the beginning. We are committed to human rights and responsible sourcing.

A000V1

PLANET

Through responsible manufacturing, it's all made with our planet in mind. Our goal is not to minimize our footprint but to make our environment and communities better.

PRODUCT

We aim to use more sustainable versions of cotton and polyester, our most commonly used materials. We will also eliminate single-use plastic altogether.

THE BETTER ALTERNATIVE IS HERE

With casual, comfy and trend-setting styles, Alternative® has the Earthleisure™ looks that your customers love to live in. We're proud to offer a premium collection that is made through responsible manufacturing. And we're genuine about giving you better options - that's why we've replaced all of the polyester content in our products with 100% recycled polyester. Join us as we continue to pursue even better ways to make apparel with our planet in mind.

The Better Alternative you can feel good about.

DECORATION INSPIRATION

THROWBACK EMBROIDERY

A great look on our mineral wash and eco fleece pieces, Alternative embroidery elevates garments with a rich stitch decoration. We take a lighter decoration approach to keep hand feel soft by using open to garment lettering and simple stitched illustrations.

TRADITIONAL APPLIQUE

Utilizing wool and cotton twill fabrics, we showcase elevated classic looks on our Eco-Fleece and Mineral Wash French Terry.

SUEDE PUFF

Suede Puff Inks create 3D effect, elevating graphics by adding textural dimension to print designs.

VINTAGE SOFT PRINT

Our proprietary screenprint process works across all our fabrics and silhouettes giving the art a retro, weathered feel while maintaining the softness of each garment.

▲ VAULT/VINTAGE MASCOTS AND WORDMARKS

Look for the orange "V" throughout the catalog to indicate a Vault or Vintage mascot being used. These logos do not need to remain Vault or Vintage. They can be swapped with a current mascot or wordmark if desired.
