DECORATION INSPIRATION

VINTAGE SOFT PRINT

Our proprietary screenprint process works across all our fabrics and silhouettes giving the art a retro, weathered feel while maintaining the softness of each garment.

THROWBACK EMBROIDERY

A great look on our mineral wash and eco fleece pieces, Alternative embroidery elevates garments with a rich stitch decoration. We take a lighter decoration approach to keep hand feel soft by using open to garment lettering and simple stitched illustrations.

TRADITIONAL APPLIQUE

Utilizing wool and cotton twill fabrics, we showcase elevated classic looks on our Eco-Fleece and Mineral Wash French Terry.

SUEDE PUFF

Suede Puff Inks create 3D effect, elevating graphics by adding textural dimension to print designs.
